

(3.) Gal_2:8 : "The same was mighty in me."

F.B. Meyer:

Hudson Taylor told me that on the threshold of his great life work God came to him and said:
"My child, I am going to evangelize inland China, and if you like to walk with me I will do it through you."
"Mighty in me." I cannot take that Bible class, but Christ is in me, and HE can. I cannot conduct that mission, but Christ is in me, and HE can. I cannot assume these responsibilities, but hallelujah! it does not matter. A copper wire has only to convey the message, it is for the battery to send it; and you may be forever more like the wire which connects you with cities far down its course, the wire along which the fair and the false passes without fret, without anxiety, without care, a mighty, mighty force meeting in the wire. When it is not self but Christ, it is Christ "mighty in me."
