

We Need A Revival That Will Restore A Moral Consciousness Evangelist Joe Hankins

~Other Speakers S-Z: Classic Christian Writings:

If ever there was a time, if ever there was a task, if ever there was a challenge that would put God's people on their faces in heart-searching, heartbroken prayer—it is today! Every one of us who names the Name of Christ needs the courage to face our lives on our knees while God turns on the searchlight!

The kind of revival we must have is a Holy Ghost, Heaven-sent revival from the Almighty that will humble the Lord's people in the dust, and bring them down in sackcloth and ashes, confessing their sins and crying to God for mercy and cleansing. Then once more they would arise in the power of His might and shake this world for Christ. If preachers all over the world would stand up and preach against sin for one year, all hell could not quench the revival fires that would break out!
