A. THE BOOK OF LUKE
1. This book was written by Luke, who was a Gentile, an educated man and a physician
2. It was written to a personal friend and intended to stop the spread of spurious gospels
3. The key word of the book is ἄνθρωπος of manâ€”
4. It is believed to have been written between A. D. 63 and 68 and records events which cover a period of thirty-nine years
5. The book was intended for Greek readers. The Greek ideal of perfect manliness differed from that of the Roman
6. The Romans felt it to be their mission to govern, the Greeks felt it theirs to educate, elevate, and perfect man
7. The ideal of the Roman was military glory and governmental authority, but the Greekâ€™s was wisdom and beauty
8. Luke presents Christ as the ideal man for which reason he relates those things concerning Jesus which demonstrate how entirely human he was

B. THE MESSAGE OF THE BOOK
1. Luke is the Gospel of the human-divine One as John is the Gospel of the divine-human One
2. Christ is the ideal man:
   (1) ἄνθρωπος Made like unto his brethren, ἄνθρωπος Heb. 2:17, in that he is:
      a. One with us in his descent from man for which reason his genealogy is traced to Adam
      b. One with us, without prejudices or favoritism, for which reason Luke ignores all privilege of race, or caste, or training by ignoring Abraham and tracing the ancestry of the Redeemer to Adam
      c. One with us in common human relationships as seen in the fact that the first two chapters deal with the cousins of Mary
      d. One with us in dependence upon God in all the crises of life, e.g., Luke 6:12
   (2) ἄνθρωπος Tempted like as we are, ἄνθρωπος Heb. 4:15, as the second Adam who:
      a. Challenged the devil whereas the devil challenged the first Adam
      b. Spoiled the devil whereas the devil spoiled the first Adam
      c. Included the human race in his victory over the devil, whereas the first Adam involved the human race in his own defeat by the devil
   (3) ἄνθρωπος Touched with the feeling of our infirmities, ἄνθρωπος Heb. 4:15, as seen in his compassion for:
      a. The plight of widows, 7:11-15
      b. The unfortunate, 10:30-37
      c. The sick and infirm, 13:10-17
      d. The lost, 15:3-7 (Note the strong human element in Lukeâ€™s parables)

INTERROGATIVE ANALYSIS
CHAPTER I
2. This introduction shows what concerning the Holy Spirit in 1:1-4? That the Holy Spirit employed the personalities of the writers of scriptures so that they were not mere machines. For example, the Holy Spirit used the writerâ€™s:
   (1) Rational judgment ἀνοιγματικός ἀνοιγματικός seemed good to meανοιγματικός
   (2) Natural concern ἀνοιγματικός ἀνοιγματικόςThat thou mightest knowανοιγματικός
   (3) Methodical procedure ἀνοιγματικός ἀνοιγματικόςTo write unto thee in orderανοιγματικός
   (4) Calculated purpose ἀνοιγματικός ἀνοιγματικόςThat thou mightest know the certaintyανοιγματικός
   (5) Acquired knowledge ἀνοιγματικός ἀνοιγματικόςhaving had perfect understandingανοιγματικός
   (6) Occasion ἀνοιγματικός ἀνοιγματικόςForasmuch as manyανοιγματικός
3. List four reasons for Lukeâ€™s compilation of the events recorded in the gospel from:
   (1) 1:3 ἀνοιγματικός He had a perfect understanding of the events
   (2) 1:3 ἀνοιγματικός To write an orderly account of those things
   (3) 1:4 ἀνοιγματικός To confirm the accounts of others
(4) 1:4 â€“ To impart an assurance to the hearers of those events

4. Point out the general subject matter of 1:5-25: The vision of Zacharias in the temple
5. Comment on the name â€œZacharias,â€ 1:5: It means â€œRemembrance of Jehovahâ€ and was a favorite name among the people
6. What is meant by â€œthe course of Abia,â€ 1:5: A group of priests who exercised their priestly functions in the temple for a week, and then gave place to another group
7. In what activity was Zacharias engaged at the time the angel appeared to him, 1:5-11? In burning incense which was the most coveted of all the priestly duties
8. What was to be Johnâ€™s mission, 1:12-17? To prepare the way of the Lord by preparing the hearts of the people
9. Explain 1:17a in the light of John 10:41? Johnâ€™s power was to be used in the ministry of the word, not in the performance of miracles

10. The request of Zacharias for a sign and the angelâ€™s reply in 1:18-20 shows what?
   (1) That Zacharias doubted the angel in view of the age of himself and his wife
   (2) That he made the fulfillment of Godâ€™s promise contingent on natural laws and means
   (3) That Zachariasâ€™ unbelief and request for a sign aroused the displeasure of God

11. What takes place in:
   (1) 1:26-38? The announcement of the birth of Christ
   (2) 1:39-45? Maryâ€™s visit to her cousin Elizabeth
   (3) 1:46-56? Maryâ€™s hymn of praise
   (4) 1:57-80? The birth of John the Baptist and the prophecy of Zacharias

CHAPTER II
1. Give the subject matter of 2:1-20: The birth of Christ the Redeemer
2. â€œAll the worldâ€ in 2:1 refers to what? The territory of the Roman empire
3. Comment on 2:4: The birth of Christ in the town of Bethlehem was a fulfillment of Micah 5:2 on the occasion of a general registration for tax assessment
4. There being no room in the inn in 2:7 marks what? The beginning of the sufferings of Christ
5. Give the general content of 2:21-40? The circumcision and presentation of the child Jesus
6. The offering of turtle doves by the parents of Christ in 2:24 is an indication of what? That they were very poor

7. Comment on:
   (1) 2:8-20 â€“ God honored the poor and lowly who were responsive to the message
   (2) 2:25-38 â€“ There is a relationship between personal godliness and devotion and the revelation of the heart and purpose of God
   (3) 2:34 â€“ The prophet of God is not only a messenger, but also a sign â€œspoken againstâ€
   (4) 2:35 â€“ A high calling of God involves a deep suffering of heart

8. What takes place in 2:41-52? The child Jesus is taken to Jerusalem for the passover
9. Comment on 2:41-47: Jesus was lost by the most unlikely people (His parents) in the most unlikely place (the temple) at the most unlikely time (the time of the passover) and that by neglect through pre-occupation with other things
10. What is evident from 2:49-52? That Jesus as a boy was aware of his origin and purpose on earth

CHAPTER III
1. Give the general content of 3:1-22: The ministry of John the Baptist
2. The fact that John preached in the wilderness, 3:2-5, shows what? That God is no longer confining himself to the religious system of the Jews
3. What is â€œthe baptism of repentance,â€ 3:3? The symbol of a change of mind and consequent reformation of life
4. Point out the significance concerning the Jews seen in 3:8: Their religion was no longer based on their relationship to God, but on their forefathers
5. What are the fruits of repentance in 3:7-14? Practical righteousness accompanying a professed change
6. Differentiate between Johnâ€™s baptism and that of Christ: 3: 16-17: The washing of Johnâ€™s baptism could only awaken a struggle against sin, whereas Christâ€™s baptism brought a new life and victory over sin

8. Point out the great doctrinal truth revealed in 3:21-22: The Trinity of the Godhead in that:
(1) Jesus was on earth being baptized
(2) The Holy Spirit descended on him in bodily shape
(3) The Father spoke in a voice from heaven

(1) In Matt. 1:16 we are told that Joseph was the son of Jacob
(2) In Luke 3:23 Joseph is called the son of Heli, but he could not by natural generation be the son of both Jacob and Heli
(3) Matt. 1:16 says that Ἰακὼβ ἀδελφὸς Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἰακώβου Ἐξελίξεις των τέσσερις παραγόντων της τραγωδίας...
(4) Therefore, the natural explanation is that Joseph was the son-in-law of Heli, who was, like himself, a descendant of David
(5) This explanation is also in accordance with Jewish usage, e.g., I Sam. 24:16

10. What seems to be the purpose of Luke’s genealogy in 3:23-38?
(1) To show that Christ was of Davidic lineage through Mary, since Joseph was only his legal father
(2) To show that Christ was the Saviour, not only of the children of Abraham as in Matt. 1:1, but also the Saviour of the children of Adam, the entire human race

CHAPTER IV
1. Observe the three spheres of the temptation of Christ in:
(1) 4:1-4 â€“ In the wilderness, the sphere of need
(2) 4:5-8 â€“ On the mountain, the sphere of success
(3) 4:9-12 â€“ In the temple, the sphere of religion

2. What is indicated in 4:13? That Satan’s cessation of temptation was only temporary
3. What is noteworthy in 4:14-15? That Christ emerged from temptation equipped for ministry by the fullness of the Spirit
4. Jesus announces what in 4:18? That his ministry is to be one of deliverance by the Spirit
5. With what attitude does Jesus meet in 4:24? An attitude of scorn and unbelief
6. What, in effect, is the Lord’s reply to this attitude, 4:25-27? There is a reason why Elijah was sent to those who were not Jews
7. Comment on 4:28-29: The forthright answers of Jesus resulted in a violent reaction
8. Point out the reason for Christ’s fame in 4:31-37: The power of his teaching and authority over demons
9. Observe one of the secrets of Christ’s authority as seen in 4:43: That he himself was under authority, that of God

CHAPTER V
1. Note two lessons from the draught of the fishes, 5:1-11, as seen in:
(1) 5:5-6 â€“ Obedience brings results in place of failure
(2) 5:7-8 â€“ Demonstration of the supernatural brings consciousness of sin

2. Note two things from Christ’s cleansing of the leper, 5:12-16, as seen in:
(1) 5:13 â€“ Jesus healed him by a command, not by prayer
(2) 5:16 â€“ There is a time for withdrawing oneself from activity and the crowd for the purpose of prayer

3. Observe two things from the healing of the paralytic, 5:17-26, as seen in:
(1) 5:20 â€“ Faith can be seen by visible demonstration
(2) 5:26 â€“ Demonstration of the supernatural can bring fear

4. Comment on the call of Matthew in 5:27-29:
(1) Matthew neither expected nor prayed for a call. He was called in sovereignty, Mark 3:13
(2) Matthew made an unhesitating, unquestioning response
(3) He at once forsook all: toll, profession, Herod, and the Roman empire
(4) He made a feast to celebrate his renunciation of all things in favor of discipleship

5. How, in effect, did Jesus reply to the criticism of his disciples by the scribes and Pharisees, 5:30-32? That the publicans and sinners were the very people for whom he came
6. Give the meaning of the parable in 5:36-39: Christ did not come to mend the past, but to end it and start the new, and that the new could not be contained within the old
CHAPTER VI
1. In what kind of an atmosphere did Jesus minister in 6:1-11? In an atmosphere of hostility and malicious intent

2. Point out the principle of Christ’s reply to the Jews’ criticism in 6:1-11:
   (1) If they had really been interested in the law, they would not have nullified it by their tradition
   (2) If they had understood the real meaning of the sabbath, they would not have been indifferent to human need

3. Comment on Christ’s choice of the twelve, 6:12-16, from:
   (1) 6:12 He prayed before a critical choice
   (2) 6:16 He consciously chose them in accordance with his Father’s will

4. Of what does Jesus basically speak in 6:20-26? Of the fact that there are two kinds of disciples, namely:
   (1) The true disciples who are characterized by being:
       a. Poor such as having a sense of need
       b. Hungry such as unfulfilled yearnings
       c. Tearful such as sorrow of heart
       d. Hated such as without a cause
       e. Reproached such as for pleasing God rather than man
       f. Cast out such as being maliciously maligned
   (2) The false disciples who are characterized by being:
       a. Rich such as having need of nothing
       b. Full such as being self-satisfied
       c. Happy such as rejoicing over their material well being
       d. Honored such as because of position or achievement

5. What do both of these groups of disciples have in common, 6:20-26? An eternal reward commensurate with their earthly state, namely:
   (1) The suffering of the true disciples will end in blessedness, 6:20-23
   (2) The rejoicing of the false disciples will end in sorrow, 6:24-26

6. Point out the essence of Christ’s teaching concerning true discipleship as seen in:
   (1) 6:27-38 The law of love must operate against the hatred resulting from true discipleship
   (2) 6:39-45 That this love must not be the mere outward observance of an ethical standard, but must spring from a genuine love in the heart
   (3) 6:46-49 That all this is only possible by the personal Lordship of Christ and that without this the true disciple will succumb to persecution

7. Comment on the parable of the two houses, 6:47-49:
   (1) It shows that discipleship will be subjected to a severe test
   (2) It shows the imperative necessity of having discipleship on a good foundation
   (3) It shows that this foundation is composed of three essential parts, namely:
       a. A personal relationship to the Lord, 6:47a
       b. A sound knowledge of the truth, 6:47b
       c. Implicit obedience to the truth, 6:47c

CHAPTER VII
1. Account for the centurion’s remarkable faith, 7:1-10: He recognized that Christ had authority because he lived under the authority of God

2. What takes place in 7:11-18? Jesus is demonstrating his authority over the realm of death

3. Comment on the account about John the Baptist in 7:19-29 from:
   (1) 7:19 John was perplexed because of the failure of Jesus to establish John’s concept of Christ’s kingdom
   (2) 7:22 Christ is bringing men into right relationship to God, thus establishing the kingdom of God within the hearts of men
   (3) 7:23 There is a danger of stumbling because of our failure to understand his method and purpose

4. What does Jesus do in 7:30-35? He exposes the contradictory unreasonableness of unbelief
5. Note the underlying lessons from 7:36-50:
(1) That Christ looks at us in the light of what we are and not in the light of what we were
(2) He notices neglect and appreciates devotion

CHAPTER VIII
1. Comment on 8:1-3: Those women to whom he had ministered with deliverance, now minister unto him of their substance
2. List and describe the four kinds of hearers which Jesus discerned in the crowd in his parable of the sower, 8:4-15:
   (1) 8:5, 12 â€“ The wayside hearer whose heart has become a footpath more useful for traffic than for crops. Since the seed lies only on the surface, the enemy takes it away
   (2) 8:6, 13 â€“ The stony ground hearer whose heart is like shallow soil of insufficient depth for roots adequate to promote growth and sustain life
   (3) 8:7, 14 â€“ The thorny ground hearer whose soil of heart is good and productive but with other seed there already so that two crops grow up and strive for mastery with the result that the seed of the Word of God succumbs for lack of room
   (4) 8:8, 15 â€“ The good ground hearer who has none of the faults of the other three soils so that he, having heard the word, keeps it and brings forth a harvest in due time
3. Point out Christâ€™s teaching in:
   (1) 8:16-17 â€“ That the light of the Word of God is given for a purpose, namely, to reveal our need
   (2) 8:18 â€“ Therefore the hearer is responsible for the light he has received and accountable to God for what he does with it
   (3) 8:19-21 â€“ There is a new and higher relationship between men in the kingdom of God which is not based upon natural generation but on spiritual kinship and union with Him
4. How is Christ revealed in:
   (1) 8:22-25? As having power over nature
   (2) 8:26-39? As having power over demons
   (3) 8:40-48? As having power over sickness
   (4) 8:49-56? As having power over death

CHAPTER IX
1. As the twelve were sent out, 9:1-9, what was their:
   (1) Mission? To preach the kingdom of God and heal the sick in demonstration of that kingdom
   (2) Provision? Power and authority over all devils and to cure diseases
2. Give the underlying lesson of 9:10-17: God accomplishes his purpose by his supernatural working with inadequate natural means
3. What does Christ reveal in:
   (1) 9:18-21? â€“ The secret of his identity
   (2) 9:22, 44-45? â€“ The coming of the cross
   (3) 9:23-26? â€“ The price of discipleship
4. Point out some dangers in Christian service from:
   (1) 9:46-48 â€“ Being more interested in our position than in Christâ€™s accomplishment
   (2) 9:49-50 â€“ Becoming sectarianistic because the accent of others and their method may differ from ours
   (3) 9:51-56 â€“ A kind of zealotousness for the cause of God which puts us out of fellowship with him
5. What do we learn from:
   (1) 9:57-58? That true discipleship will inevitably bring real discomforts
   (2) 9:59-62? That true discipleship calls for a complete break with other interests

CHAPTER X
1. Point out a practical lesson from:
   (1) 10:1-12 â€“ The ever ripe harvest calls for real labourers truly sent by God
   (2) 10:13-15 â€“ Miracles do not always bring repentance
   (3) 10:16 â€“ Refusal to hear the servant of God is tantamount
to despising not only the servant, but also God
(4) 10:17-20 â€“ rejoicing in the great fact of redemption is an
effective antidote to spiritual pride
(5) 10:21-24 â€“ God deliberately withholds truth from those
who are wise in their own conceit and reveals it to the
simple of mind and humble of heart

2. Give the essence of Christâ€™s reply in 10:25-37: The question is not who your neighbor is, but whether you
are one

3. What are the essential lessons in 10:38-42?
(1) The danger of being busy in the service of God while neglecting him at the same time
(2) The danger of sacrificing the better for the good
(3) Love cannot finally express itself in service, but must take the form of devotion

CHAPTER XI
1. What prompted the discipleâ€™s request in 1:1? Christâ€™s example which impressed the disciples and
gave them an incentive to pray

2. Comment on the Lordâ€™s reply in 11:2-4: This was more than a mere pattern for prayer in that it also
embodied the essential elements of all true prayer in that:
(1) It is based upon a filial relationship in which the petitioner has a childâ€™s privileges and the petitioned a
Fatherâ€™s responsibilities
(2) True prayer begins with reverence and worship
(3) It puts the interests of the kingdom of God before mere personal interests
(4) It prays with submission to the Fatherâ€™s will
(5) It petitions for present need and leaves the future confidently in the Fatherâ€™s hands
(6) It is not only concerned with material needs, but also with those that are spiritual, i.e., right relationship with
God and man
(7) Petition is made in an awareness of self-insufficiency and dependence upon God

3. How is true prayer distinguished from mere wishing in 11:5-10?
(1) By asking â€“ the definite petitioning for a definite need
(2) By seeking â€“ the continued and diligent anticipation of the answer in hopeful expectation
(3) By knocking â€“ An insistent persistence which refuses to take âœnâœ for an answer

4. Comment on 11:11-13 in conjunction with 11:1-10: The Spirit
filled life is the ultimate of all prayer

5. The incident in 11:14-26 shows what concerning evil spirits?
(1) That the realm of Satan is a highly organized kingdom( v. 18)
(2) That evil spirits are determined to enter human beings (vv. 24-26)

6. What does Jesus show in:
(1) 11:33? Personal responsibility to others in view of the light which we have received
(2) 11:34-36? Whether we are full of light is dependent upon whether our eye is good or evil

7. What does 11:37-44 demonstrate? The evil eye. The Pharisees saw only Christâ€™s violation of their
tradition and so missed the light of his teaching

8. With what does Christ charge the Pharisees in:
(1) 11:42? With the inversion of values
(2) 11:43? With evil motives
(3) 11:44? With corrupting influence

9. Note three things for which Christ denounces the lawyers in:
(1) 11:46 â€“ For insincerity by burdening others with obligations which they themselves refuse to bear
(2) 11:47-51 â€“ For hypocrisy in pretending respect for the prophets while killing them at the same time
(3) 11:52 â€“ Their misuse of office by keeping men from the kingdom of God instead of leading them into it

10. How does 11:53-54 relate to 11:34? It demonstrates the reason for a body full of darkness
CHAPTER XII
1. What circumstance prompted Christ's teaching in 12:1-12? The hostility of the ruling classes
2. How, in particular, are Christ's "friends":
   (1) Warned, 12:1-3? To beware of those who, like the Pharisees, wear a religious mask
   (2) Guided, 12:4-5? Not to have a false fear of man, but to be filled with the fear of God instead
   (3) Comforted, 12:6-12?
      a. They are the objects of the Father's care, (vv. 6-7)
      b. They are the objects of the Son's approbation, (vv. 8-9)
      c. They are the objects of the Spirit's provision (vv. 10-12)
3. What does the interruption in 12:13-15 show?
   (1) The interrupter's disinterestedness in Christ's heavenly treasures
   (2) The interrupter's preoccupation with earthly treasures
4. In the light of 12:15, what is seriously wrong with mankind? Men are relating their lives to things instead of God
5. How do the following passages relate to the incident in 12:13-15?
   (1) 12:16-21? Christ illustrates the tragedy of the wrongly centered life as exhibited by the request of the interrupter
   (2) 12:22-34? The possession of the kingdom of God should be the supreme urge and ultimate purpose of physical life
6. How may fear and worry concerning material necessities be overcome in the light of:
   (1) 12:22-30? By confidence in the Father's provision
   (2) 12:31? By submission to the sovereignty of God
   (3) 12:32? By trust in the Shepherd's care
   (4) 12:33-34? By detaching the affections of our hearts from things temporal and attaching them to things eternal
7. With reference to Christ's teaching concerning stewardship in 12:35-48, what is seen in:
   (1) 12:35-41 å£“ The steward is to labour with readiness for he master's return
   (2) 12:42-46 å£“ Failure to expect the master's return leads to negligence and self-indulgence
   (3) 12:47-48 å£“ The servant's responsibility is commensurate with his privilege
8. Wherein is Christ a divider of men, 12:49-53? In that his message will divide men against each other as well as for and against himself
9. Of what does Jesus accuse the people in 12:54-56? Of willful inability to discern the great event which his coming brought, (10:23-24)
10. What is emphasized in 12:57-59? Their accountability before God for their inability to see

CHAPTER XIII
1. What does 13:1-5 show? That catastrophe is not necessarily evidence of special sinfulness
2. To what purpose was the parable in 13:6-9 given? To show that the judgments of God are rooted in righteousness and exercised in infinite patience
3. How is the power of the kingdom displayed in 13:10-17?
   (1) The kingdom of Satan to bind men
   (2) The kingdom of God to loose men
4. What was wrong with the ruler of the synagogue, 13:14?
   (1) He had more interest in ceremonial law than in suffering humanity
   (2) His preferred regard for ceremonial law was only a pretext for his hostility
5. How is the kingdom of God described in:
   (1) 13:18-19? As growing to great dimensions from a very small beginning
   (2) 13:20-21? As bringing about an ever widening transformation of mankind
6. Point out the essence of Christ's reply to the questioner in 13:22-30 as seen in:

Page 7/12
1. Point out the Pharisees’ objection to Jesus in 14:1-6: He was constantly trampling upon their conventionalities and violating their false sanctions.

2. Note the faults which Jesus points out in:
   (1) 14:7-11 “Bad manners in struggling for honors which an honorable man does not do
   (2) 14:12-15 “Bad motives in a false hospitality which expects like return

3. What connection does the parable in 14:16-24 have to the exclamation made in 14:15? It was given in reply to the expressed admiration for the principles of the kingdom of God o show that it is one thing to appreciate the truth, but another thing to appropriate it

4. Comment on the parable of the great supper in 14:16-24:
   (1) The real reason for the excuses was lack of desire and being preoccupied with:
      a. Earthly possessions, 14:18
      b. Necessary occupations, 14:19
      c. Social relationships, 14:20
   (2) Men may admire the principles of the kingdom of God without being prepared to enter it themselves
