

## Recognizing Satans Strategic Initiative

**A.W. Tozer:**

Many times in history the Christians in various towns, cities and even whole countries have given up their defense for reasons wholly evil. Worldliness, sinful pleasures and personal ungodliness have often been the cause of the churchs disgraceful surrender to the enemy. Today, however, Satans strategy is different. Though he still uses the old methods where he can do so with success, his more effective method is to paralyze our resistance by appealing to our virtues, especially the virtue of charity. He first creates a maudlin and wholly inaccurate concept of Christ as soft, smiling and tolerant. He reminds us that Christ was brought as a lamb to the slaughter, and as a sheep before her shearers is dumb, so he openeth not his mouth, and suggests that we go and do likewise. Then if we notice his foot in the door and rise to oppose him he appeals to our desire to be Christlike. You must not practice negative thinking, he tells us. Jesus said, He that is not against Me is for Me. Also He said Judge not, and how can you be a good Christian and pass adverse judgment on any religious talk or activity? Controversy divides the Body of Christ. Love is of God, little children, so love everybody and all will be well. Thus speaks the devil, using Holy Scripture falsely for his evil purpose; and it is nothing short of tragic how many of Gods people are taken in by his sweet talk. The shepherd becomes afraid to use his club and the wolf gets the sheep. The watchman is charmed into believing that there is no danger, and the city falls to the enemy without a shot. So Satan destroys us by appealing to our virtues.
