**GLASGOW, November 8th 1881**

**MY DEAR MR. WILKINSON,**

Last night I was present with Mr. Baron at a most interesting meeting of Jews, fifteen in number, and could at once see that the stagnant waters had been stirred by Mr. Baron's visit. I am very thankful that you have been able to make an impression and a good beginning.

Yours be the blessing, from Israel's true Aaron.

Numbers 6:24,25,26.

and may I come in for a share of the blessing too as one who truly loves Israel.

**Dr. ANDREW BONAR**
