

Scriptures and Doctrine :: 10 horns, 10 kings, Anti-Christ**10 horns, 10 kings, Anti-Christ - posted by Logic, on: 2006/3/30 15:51**

the ten kings of Daniel and Revelation 17 might have been created in 1995 by the "Maastricht Treaty" called the EU (European Union). It has been under the Church Radar ever since. Most likely because that church is looking at Papal Rome when we should be looking at Governmental Rome. The Great Roman Empire.

The Maastricht Treaty (1992) established EU citizenship and the **European Monetary Union (EMU)**. The Treaty of Maastricht (1992) introduced new forms of co-operation between the member state governments. By adding this inter-governmental co-operation to the existing "Community" system, the Maastricht Treaty created the **European Union (EU)**.

European Neighbourhood Policy/ Barcelona Process or Barcelona Declaration (ENP)

The Euro-Mediterranean Conference of Ministers of Foreign Affairs in Barcelona, on 27-28 November 1995, established the **Euro-Mediterranean Partnership (EMP)**. This marked the starting point of the Euro-Mediterranean Partnership called the Barcelona Process, with the overall objective of turning the Euro-Mediterranean basin into an area of dialogue, exchange and co-operation guaranteeing peace, stability and prosperity.

There is a wide framework of political, economic and social relations between the Member States of the EU and Partners of the Southern Mediterranean. The latest EU enlargement, on 1st May 2004, has brought two Mediterranean Partners (Cyprus and Malta) into the European Union, while adding **a total of 10 to the number of Member States** (the ten Horns)

Regional and multilateral co-operation complements and reinforces the approach. Regional programmes operate in all three domains of the Barcelona Declaration, namely the

- 1: political and security dimension
- 2: the economic and financial dimension
- 3: the social, cultural and human dimension.

Regional activities are open to all the partners. On a multilateral level, they adopted the Barcelona Declaration, composed of three pillars for developing the main elements of a political and security partnership,

- 1: The definition of a common area of peace and stability through the reinforcement of political and security dialogue (Political and Security Chapter).
- 2: The construction of a zone of shared prosperity through an economic and financial partnership and the gradual establishment of a free-trade area (Economic and Financial Chapter).
- 3: The rapprochement between peoples through a social, cultural and human partnership aimed at encouraging understanding between cultures and exchanges between civil societies (Social, Cultural and Human Chapter).

* ensure diversity and pluralism in their societies, promote tolerance between different groups in society and combat manifestations of intolerance, racism and xenophobia
on March 28, 2006 Acting Prime Minister Ehud Olmert declared victory in Israel's elections Tuesday, saying he will seek negotiations with the Palestinians.

The European Union (EU) has over 456 million inhabitants and currently has 25 member states.

The Western European Union (WEU) was actually made up of 28 European nations. At that time, the 28 nations in the WEU were divided into four different types of membership.

- 10 Member States
 - 3 Associate Members,
 - 5 Observers
 - 10 Associate Partners.
- Only the 10 Member States had full voting rights

The ten nations from this is...

The ten Horns:

- 1: Belgium
- 2: Spain
- 3: Portugal
- 4: Luxembourg
- 5: Italy
- 6: Greece
- 7: France
- 8: Germany
- 9: The Netherlands
- 10: United Kingdom

All these have been members of NATO and are also members of the EU with Javier Solana being the ex-leader of NATO

The little Horn:

Javier Solana

Javier Solana was the 1995-1999 NATO Secretary General. He left that job two months early, in October 1999 to take the newly created position of Office of the **High Representative** of the **Common Foreign and Security Policy** (CFSP) of the EU a position created by the Council of Vienna in December 1998 and encoded in **Section 666**, Javier Solana is Secretary General of both the European Union and the 10 nation permanent member Western European Union (ten Horns). This is all archived in the "**Europa documents 666**." Google this document.

Go to this web site to see "Section 666"

<http://europa.eu.int/abc/doc/off/rg/en/1998/i0000.htm>

hit Ctrl and F at the same time, then type 666 and click that link.

you will come to this:

In December 1998 the Vienna European Council expressed the opinion that the Secretary-General of the Council and **High Representative** for the CFSP should be appointed as soon as possible and be a personality with a strong political profile. It invited the Council to prepare common strategies on Russia, Ukraine, the Mediterranean region and the western Balkans, on the understanding that the first would be on Russia. Welcoming the new impetus given to the debate on a common European policy on security and defence, the European Council also noted that the CFSP should be backed by credible operational capabilities. He has been officially designated to serve as the powerful new Foreign Minister of the European Union under its new constitution, effective upon full ratification expected in 2006.

then go here to see Javier Solanas' credentials.

http://en.wikipedia.org/wiki/Javier_Solana

As such Javier Solana will combine the positions of Commissioner of External Relations and Common Foreign and Security Policy chief.

This advisory body is expected to grow as he continues to enlarge his EU roles. It **is expected that ratification will be complete sometime in 2006 and that new roles may begin in 2007**. Under the new constitution, he will easily be the most powerful figure in the European government, he having a unique power of initiative not even shared by the president. He will also automatically serve as Vice President of the European Commission.

Here is another freeky part of all this:

There is a **The European Union's 2007-2013 budget** agreed by EU leaders

The EU is not a military entity but a political one and their power is not in might but in commerce

The EU's Euro-Mediterranean Partnership for Peace (Euro-Med) combined with the EU's new European Neighborhood Policy (ENP) and coming seven-year budget period may set the stage perfectly for the seven year trib.

This seven-year budget term begins on January 1, 2007 and ends Dec. 31 2013. The EU leaders run their political agenda around their budget. In other words, the ENP was created to finance Javier Solana's foreign policy objectives for peace -- the **confirming** of his Euro-Med covenant with many -- for a seven year period, Daniel 9:27

Since they are so into Human rights, Javier Solana will find a need to fight for animal rights and put an end to the daily sacrifice. Daniel 9:27

I have a theory that the false prohet will come out of Israel and they will think that he is there mesiah. Then they will see their mistake when he tells them to worship the Anti-christ.
