~I've done a little posting here and there, and quite ignorantly, completely missed this section!

~I'm a young adult and have been raised in a Christian home. I've seen many, many, many, different views on Christianity.

~I work in a computer lab for 6 hours a day, twice a week. I figured this site would be a great way to edify myself, and maybe others.

Hi,

Welcome to SermonIndex I am glad you found this resource. Do take advantage to download some of the audio teachings and even burn them to CD's. I recommend if you haven't yet that you download this life-changing audio sermon: Ten Shekels and a Shirt by Paris Reidhead. I am looking forward to your contributions on the forums.

I also recommend you read this:

~Cool! Please quickly tell me if I ever get out of line.

~I never want to be a stumbling block for my Brothers and Sisters or those who may become my Brothers or Sisters.

~uhhhh....I don't know where to rightly put this, but since I'm stuck in front of computer for 6 hours a day, two days a week, I can help anyone with whatever they might need done, on a computer.
