Please pray for my buddy Julian. The lord used him 2 years ago to reach out to me and call me from rebellion. He has been used in a mighty way by God and continues too....

Tomorrow (Friday), he is going to Mt. Zion School of ministry to check it out. they have already sent him approval for going there, so he is just checking everything out. Pray that the lord will use him in a mighty way through this, I know he will be blessed.

thank you all for your prayers,

Hi boomatt...

I am praying. I imagine that he is very excited! I looked into the school and seriously considered applying a few years ago. It seems to be a marvelous place to learn from the Lord.
