OWWWWEEEE! That Hurt good!

Re:, on: 2006/4/28 7:44

cutgrass and Dave, I'm going to ask the same question again ... why are you coming on here Right From the Start Rebuking the members here ?

You don't know these folks, and this place has been here since 2002. You have no idea who you're rebuking.

You are all wrong in starting off rebuking people you don't even know.

This is not a child's forum you are on or some lazy organized church forum.

You don't even know these people, so who are any of you to come on with your first posts rebuking us ?

If you three or so think you're Prophets or something ... you are the kind that bring shame to the genuine prophets, if there are any on board.

You come on threatening and with horrifying violence and spueing out words not even found in the New Testament. Where do you really feel you have gotten this Authority to come on here and rebuke people you don't know and haven't even TRIED to know, by going back to the Forum threads starting in 2002 until now ?

If you had been a member for a while and saw an error being taught, yes, I could see you giving this same type "warning".

I've used that same analogy myself about my child trying to cross the street without me ... but in context of a conversation about beliefs that I saw posted.

You all are just coming on Screaming before you get to know any here.

That's Pride and counterfeit Prophets that bring a reproach or discredit the real prophets, teachers, evangelists and pastors that are regular posters on this Board.

Your spirit is not right. You don't walk into a Church you know NOTHING ABOUT and start screaming at them.

Or do you ? :-(

In response to MeAgain, and again, and again. The lip of truth will be established FOREVER. Try to glean the precious from the ore! God has many different voices and its obvious you think God is only LOVE!!! I bet you would be with the religious throng who would take off John the Baptists head Eh? No sense in trying to make us feel bad, we have been at the game for a long time, and dont try to discredit us to anybody else, please, your honor!

Re:, on: 2006/4/28 8:47

A real Prophet lets take Elijah hewed men to bits with THE SWORD or What about Samuel he did WHAT GOD TOLD saul to do but saul was to interested in serving his stinking self buliding worldly wealth and increasing his popularity...

Hia again Dave, and again :),

I'm not quite sure how God's Love could kill a prophet whether it be John or Isaiah but first I asked if you and rakkanakkal knew each other and you told me that I was correct on that account.

And now I've asked on your other thread if you guys are "the manifested sons of God" movement.

How am I doing so far ?

This statement is self-condemning and not helpful. You refer to MeAgain as "your honor" and have yourself condemned her with; "I bet you would be with the religious throng who would take off John the Baptists head Eh? and again... God has many different voices and its obvious you think God is only LOVE!!! "

BTW there are many repentance preachers on this site. ;-) We are all striving to grow in Christ lest we misrepresent the true nature of God one way or the other.

cutgrass3,

Read the link following and consider this a warning, abide within the guidelines that are established for all or you will be removed.

Dave, same for you. Have appealed for you to slow down before, this is not a place to verbalise whatever you feel like, if you cannot control this I recommened you start your own website.

Are we all getting sick of arguing yet? I consider THAT to be a sign of bad fruit(arguing) rather than putting a few shrimp s on the barbie. Some of us have a fire in our bones, and some a bee in our bonnet, but if we be of God, Let it be. What about Ravenhill, or Edwards?

I have found if a person really has "fire in their bones" he/she takes it out to the streets, in the churchs, and and the "fires tarter" is in the prayer closet.

Not that this a bad place to share your views, but look at the sermons here. That is what has brought most of us here.

Re:, on: 2006/4/28 14:13

What is going on in Sermon Index land lately? I really hate these condemning threads/posts that serve no real purpose. Please stop it. Your making people want to leave because it's not bringing an edifying environment.

Eph 4:15 Rather, speaking the truth in love, we are to grow up in every way into him who is the head, into Christ. (ESV)

Eph 4:1-3 I therefore, a prisoner for the Lord, urge you to walk in a manner worthy of the calling to which you have been called, with all humility and gentleness, with patience, bearing with one another in love, eager to maintain the unity of the Spirit in the bond of peace. (ESV)

Re: - posted by boomatt (), on: 2006/4/28 14:19

I agree Jordan,

I love all of you brothers and sisters, but this is one reason why the world hates christians. We need to be united togeth er, and go to the lost, not attack each others views and look like hypocrites.

What do you all say? How about we post something uplifting? Any prayer requests, I know some of you guys are prayer Warriors, so lets get going..... ;-)

Re:, on: 2006/4/28 18:43

wyattearp...shooting from the hip are'nt you? Are you old enough to know what that means? Lets not start a war here! I recommend we all back off from spiritual pride, examine ourselves, and get on with Jesus.

Re:, on: 2006/4/28 18:47

This makes some sense! Lets get to the real business of The Kingdom. Thats what all my strong words were about.

Is this earlier post of yours below what you think wyatt and us should get back to ?

And the Mortal Sin here is "referencing someone's age" BTW.

Since you say above that you're against "war" and "spiritual pride" and want us to "examine ourselves" and get on with "Who" ? then let's read how here

Look out pastors, the sheep are beginning to voice they're discontent! Denying the power? I have seen it. Disgusting is'nt it, to sit back and have manure rubbed in your eyes. Filthy Godless Powerless gospels dished out, and the sheep are supposed to eat? No wonder the people have no power to go out and "preach". Nobody has any lead in their guns, not even BANG. Why would anybody want to be a christian, and not take all that God has to give? Is God giving birthday parties? Church Picnics? Are we all on barbituates? In Finland, they call worthless preachers "Bread Priests". They're not fit to rule .We better figure it out, that the world detests a powerless, intellectual Gospel!

O.K., we all will "try" to remember that cutgrass and you want this thread to be about the word "LOVE" somehow.

O.K., we'll try Dave.

I am old enough to know what "shooting from the hip" means and I will try to hit you in the heart with this "shot". May it wound you and keep you from wounding others.

Brothers and Sisters,

Anyone who claims to be in the light but hates his brother is still in the darkness. Whoever loves his brother lives in the light, and there is nothing in him to make him stumble. But whoever hates his brother is in the darkness and walks around in the darkness; he does not know where he is going because the darkness has blinded him. 1 John 2:9

Do not let any unwholesome talk come out of your mouths, but only what is helpful for building others up according to their needs, that it may benefit those who listen. Ephesians 4:29

In Christ,

Murray
