What is life if it is not dedicated to service for the Lord?

What does it value if you preach good and they say what a preacher?

What happened to them saying what a Savior?

Why is it that the church wants to be Jakes like, Bynum like, and Long like but don't want to be Christ like?

We need more Josephs' of Arimathea, Joseph saw the condition of the body of Christ and took it a place (tomb) where it was resurrected to a glorious state. We need some christians to see the condition of the body (church) of Christ and take it to a place where it can be resurrected to a glorious state.

This is the church that wants to walk as close as they can to the world and still say they love God...

The church of this day is what I like to call the Ezekiel 33 church. (Ezekiel 33:31-32)

31 My people come to you, as they usually do, and sit before you to listen to your words, but they do not put them into practice. With their mouths they express devotion, but their hearts are greedy for unjust gain.

32 Indeed, to them you are nothing more than one who sings love songs with a beautiful voice and plays an instrument well, for they hear your words but they do them not.

Judgment will hit very soon because judgment starts first at the House of God.

It's about time that the church gets serious. But why? For the second coming of course because Christ is only coming for those who are looking for His return.

Convinced or Converted?

Dead to sin or Dead in sin?

Should they get right or get left?

Shall we continue in sin that grace may abound? God forbid!(Romans 6:1)

Profession no possession.

Do they love God or just playing church?
