**Convicted of Worldness - posted by deltadom (), on: 2006/6/11 4:48**

Yesterday I went somewhere and one of Jesse Moriels sermons came into my head it was a leaving doo of one a few friends at the CU. I am a good dancer and got convicted of dancing by the Lord. I have so wanted to dance for Jesus. I also yesterday saw the consequences of my sin. In church we have been talking about walking a sinless life and so I do want to walk a sinless life.

The damage sin does in me not only to me but to my language.

Jesus I need to repent I am woeing over my sins of worldness and my sins in general.

Jesus help me
