This came to me from Adam Mullett (adam_mullett@hotmail.com) a high school student from Trenton, Ontario who got in contact with me after I preached open-air at his high school last week. Glory to God for the words from this young man!

Forgive Them All
by: Adam Mullett

always bring up the past with the life
so girl please be quiet
I'm taking these chances
having my hands up in the air
my feet on the ground
and my praise to God

I'm asking please please
give me another chance
repent my sins from the world
I've been hiding, escaping and dying
askin the Lord
praisin Him
to forgive me
and all of my people.

it's cloudy, it's storming, it's raining
and I know that u must stop crying
I know your crying to God
crying for Him to save you
to forgive you
but all we gotta do is keep our heads up
for another day
to let the sunshine threw
to let us go further into another day

I'm asking please please
give me another chance
repent my sins from the world
I've been hiding, escaping and dying
askin the Lord
praisin Him
to forgive me
and all of my people.

I'M YELLING I'M SCREAMING
LORD MY LORD
GOD MY GOD
BRING THE SKY DOWN
BRING THE ANGELS HERE
FORGIVE ALL MY HOME BOYS
FORGIVE MY GIRL
FORGIVE MY FAMILY

I'M ASKING YOU
I'M BEGGING YOU ON MY KNEES
PLEASE OH PLEASE FORGIVE THE SINS
FOR ME AND EVERYONE ELSE

I'm sitting,
I'm thinking,
I'm shaking,
I'm praying,
asking for the day
when He'll be arriving
to say these things to me
to save me
from this hustler world I live in.

Hi Ricky,

Quote:

to forgive me
and all of my people.

Love his heart.
