Try (<http://www.sermonindex.net/modules/mydownloads/viewcat.php?cid144>) Keith Daniel

You can start with:

- Be Ye Holy For I am Holy
- Christ's Cry to the Church Of This Day and Age
- My Godly Father
- The Power of Prayer (video)
- Finished with the world
- If You Faced Death Right Now
- Prove Me Now... (video)
- Practical Principles For a Godly Marriage

After listening of these, I'm sure you will be willing to listen the others.

God bless you.

I would recommend Ravenhill's video interview. It is most powerful. It is a wonderful synthesis of many things he believe s and some commentary on why we are in the shape we are in in many churches. I have listened to this and watched thi s many times.

these sermons i recomend to anyone

if you are looking for video sermons id recomend any sermon by keith daniel, but the first one i saw was sermon on the mount, after seeing that one ... i watched the rest of them, some other strong sermons are

major lan Thomas - knowing jesus

david wilkerson - going all the way whit god

and there are many great sermons by Paris reaidhead to .. i would recomend you to listen to those ones too'

Zac Poonen has many video sermons.. i love his bible teaching he always delivers a good strong message

Re: - posted by habakkuk3 (), on: 2006/7/7 9:43

There's a number of Richard Owen Robert videos on SI regarding revival that I would add as well. There is no revival without holiness.

As Robert said, the Ravenhill video that I believe was done very near the end of his life is very moving as well.

If you are looking for some of the best sermons on SermonIndex,I would recommend you simply look over to the bottom left hand of the site to the "top 20 downloads"

An obvious powerful sermon is: **Ten Shekels and a Shirt** by Paris Reidhead:

Re: THE SPIRIT EMPOWERED SERMON - posted by roadsign (), on: 2006/7/7 22:47

A sermon that comes to my mind is Jonathan Edward's "Sinners in the Hand of an Angry God". That the sermon was so convicting that listeners clung to the beams. They could sense themselves slipping into hell. This was not the result of eloquent oratory, but the work of the Spirit. Yet reading that sermon in our churches might not have the same effect. We can't just copy past experiences, hoping for the same results.

In my life some of the most powerful sermons were nothing special. However, they were God's word for me for that time, and I knew it. God used them to bring about change in me.

General Topics :: im looking for extremely powerful and strong sermons.....

So, if you are looking for powerful sermons, do ask the Lord to lead you to the ones that are his message for you, and ones that will touch the very area in your life HE would like to address. And expect that he may use any means - even "donkeys" It would be just like God to do that.

May God bless you as you seek to learn from him.

Check out this sermon. It's an extreme message, given by a street preacher from Milwaukee. He's preaching behind a church pulpit, exhorting the people to serve their King in a more radical way. Exposes lukewarm, effeminate Christianity and gives powerful examples from the ministries of Wilabroord, John Knox, Wesley and Whitefield. Enjoy!

Btw, here's a link to the audio sermon "Sinners in the Hands of an Angry God." (Very frightening)

And here's "Gods Sovereignty in the Salvation of Men" by Jonathan Edwards.
