Before this site. I never heard of L. Ravenhill. I'm so hooked. The LORD has used him to cause me to spend more time in prayer. With that said. Any of his stuff that has to do with prayer, is number one with me.

NO MAN IS GREATER THEN HIS PRAYER LIFE is a life changing sermon! the sermon title says it all. Praise God brought her for the spark of divine life that the Ravenhill recordings are giving you. Keep seeking those things above, may God grow your prayer life.

If you like Ravenhill Then I'm sure you will like the book, "E.M.BOUNDS, ON PRAYER" It is a compilation of all his writings on prayer. Have you heard of it? God bless, John from Iraq

"Prayer is #1"

Can affirm that. In fact, not a few minutes ago praying, attentively, was considering how it might be possible to trace every failing straight back to a lack of prayer.

...without ceasing

Much on this all important matter here.

I like to hear about great men of prayer. The devotion, dedication and the awareness of the holiness of God. I do have all of EM Bounds work. Now I'm looking for stuff about J. Hyde. "Praying Hyde" is out of print, I think by McCraw.

Thanks for the reply

The book 'Praying Hyde' is not out of print. It is available at amazon.com for about \$6.68.

Hope this helps. God bless.

Thanks for the lead. I don't know if the authors may make a difference or not. I think a few authors have written Praying Hyde. I'm told that it's a small book, nothing big.

It is a small book, easily readable in one sitting. I just read it this past Saturday. It's definitely worth the few dollars! :-)

It is available used on Amazon.

Experience testifies to this one. A great quote. Worth putting on the fridge or dashboard of my car.

To stand before men on behalf of God  
is one thing.

To stand before God on behalf of men  
is something entirely different.
