It is available for download now and will be linked to in the email newsletter being sent out in 2 days. Simply click on the link below to print and save this issue:

The Old Paths Newsletter - Issue 06

Description: "The Old Paths" is the new official monthly newsletter of the SermonIndex Ministry. It will be a 6 page issue each month that will be offered through the email newsletter. So if you want to recieve the latest edition simply signup for the monthly newsletter on the front page of the site. The newsletter will be available to download in the PDF format. All the backissues will be linked to in this thread. The vision of this newsletter is that people that are blessed by the newsletter can make copies for other friends. I see this newsletter spreading by many individuals making 10-20 copies to hand out to friends or leave at churches. May God grow this and spread these publications as He sees fit for the furterance of the gospel and His kingdom.

Praise the Lord! This is so wonderful to see another issue of 'Old Paths'! I am looking forward to perusing it and passing it on to others.

God bless you, sermonindex, for your ministry! Thank you for being one of God's channels of blessings.

Giancarlo, I will work on a image later today and post it in this thread. I printed out the pdf and will be taking it to be photocopied double-sided and stapled and then I will be God willing having it in many churches available for the people in those churches to take for free. My hope is to get many churches in Kelowna (the city where I am at) to offer to the congregation THE OLD PATHS newsletter every month. And perhaps some churches will take it upon themselves to do the photocopying etc.

If anyone else at SI can catch this vision and do the same in their town, writng a letter and or approaching pastors in the city with a sample of the newsletter, I am sure it could be adopted into many churches! It would be great to have a list

of churches that provide it to their congregations.

Greg, once again ...

Hope this is widely read, another tremendous effort.

"Does it grieve you my friends, that the name of God is being taken in vain and desecrated? Does it grieve you that we are living in a godless age...But, we are living in such an age and the main reason we should be praying about revival is that we are anxious to see God's name vindicated and His glory manifested. We should be anxious to see something happening that will arrest the nations, and cause them to stop and to think again."

"We are not only confronted by materialism, worldliness, indifference, hardness, and callousness, but we are also hearing more and more ... about certain manifestations of the powers of evil and the reality of evil spirits. This is why I believe we are in urgent need some manifestation, some demonstration, of the power of the Holy Spirit."

"The Christian church today is failing, and failing lamentably. It is not enough even to be orthodox. You must, of course, be orthodox, otherwise you have not got a message ... We need authority and we need authentication ... Is it not clear that we are living in an age when we need some special authentication, in other words, we need revival."

I have made 100 copies of this issue and am handing it out to churches in Kelowna, my hope is to get 5-10 big churches making copies of THE OLD PATHS newsletter for every member! Do pray for this to happen and take steps to do this in your own towns and cities, and churches.

I have gotten copies into 2 christian books stores and so far 1 church in Kelowna. I encourage you to do the same and request from pastors if a copy could be made to freely give every congregation member.

I have heard alot of positive feedback from this issue so far, do print them out and give copies away to bless other people. I was pretty stirred up to hear that the Jehovah witness's distribute 25 million copies of their magazine! quite sad. I believe that the OLD PATHS could reach into 10,000's of people's hands to stir the church to pray for revival! If you feel led be a part of this each month getting them out.
