How do I find the "godly music section" from the home page?? - posted by tinluke (), on: 2006/10/22 22:23

I've been able to download some great music in the past, but all of a sudden I'm lost. Can you please give me directions from the homepage? Thank you very much.

Tina

Hi Tina,
Click on "Audio Sermons" on the left
Then Select "Other Speakers G-L"
It's on the list in alpha order "G"odly Music.
I listened to something you liked the other day - you have good taste in music :-)

Here you go;

(<http://www.sermonindex.net/modules/mydownloads/viewcat.php?cid168>) Godly Music

To get there in the future, it is listed under "G" in the "Other Speakers G-L" section of the downloads. :-)

**Edit- Thanks HeartSong, we were 2 seconds apart there ...*
