I recently subscribed to the Sermon Index Classics Podcast on ITUNES. If you haven't done this yet, I really encourage you to do so.

I really like having the featured sermon so easily available. I can also see the past featured sermons and download them if I wish.

The intro on the messages is excellent! It adds a nice touch to these messages from the past.

Has anyone else been blessed by this or something else on Sermon Index?

I praise the Lord for this website. I have been able to listen to messages that I never would have if it had not been for this website. I have been able to meet other saints from all across the world and be encouraged at what God is doing in their lives.

"I will praise thee for ever, because thou hast done it: and I will wait on thy name; for it is good before thy saints." Psalms 52:9

Let us keep praying for this ministry and the impact it is having all over the world.
