About this time last year one of our ministry associates, had the unique opportunity to meet and witness to Rowan Williams, the Archbishop of Canterbury.

This is her account of that day:

I have met the Archbishop or witnessed one of his sermons he did not even use the bible other than one verse, people forget that to become a vicar that a person does not even have to be a christian let alone born again

Most Anglicans sadly believe in baptismal regeneration, and with 28,000,000 of them in the UK, the true church of Jesus Christ certainly has their work cut out for them!
