I would like to share more of the many witness encounters that I have experienced this year, to try and encourage those that are strong and mature in the faith, to also take up the Great Commission and try and reach lost souls for the Lord Jesus Christ, because 150,000 people die EVERYDAY, that's 7,000 an hour!

**PART 8**

Today I was able to speak to several people about the Gospel, with one person being a liberal and rather secular Jewish lady.

Her philosophy was that of humanism.

I was able to get her to do "The Good Person Test", which she of course failed.

She told me she didn't believe in God yet occasionally went to the Synagogue!

She must have blasphemed God's name about 5 times during our encounter, yet she was still charming even after I told her this was a violation of the 3rd of the 10 Commandments, and then she laughed and took God's name in vain again.

I told her that being a Jew was evidence that God is God, for no other historical race has lasted over many thousands of years.

She wouldn't take my tract but we left on good terms.

As we parted I asked her to look up Is. 53. She said she "couldn't be bothered." The Bible "was boring." "Life's worth living."

Please pray for this secular/agnostic/part-time Jewish lady.
