Welcome,

It is great to have you on SermonIndex dear brother. I am glad you have been listening to such preachers as Tozer and Ravenhill. If you haven't yet I would encourage you to listen to this life-changing message by Paris Reidhead: Ten Shekels and a Shirt.

If you have any questions please let me know how I can help you at all.

Amen, Nice to meet you Daniel.

Since you're a graduate of Teen Challenge I assume you're familiar with David Wilkerson -I read The Cross and the Switch Blade last year and it was one of the highlights of the year!

I'm really excited to hear about how God is working in raising up disciples out of that ministry!

Hello Daniel,

I live very close to you in Northern Kentucky (just across the river :-)) I am not sure where Teen Challenge is located in Cincinnati. But my husband and I are pretty familiar with Cincinnati.

I am so glad to hear that you have come through the Teen Challenge program and that you are desiring to grow in your walk. So awesome!

Grace and peace to you!

Please do! Try the search function as well, there is quite a bit of history here in the articles and through the forum.

Welcome Daniel,

I think you will find this forum wonderfu. The moderators and many others have great wisdom to share. Simply type your question and you will get many answers. Always remember to pray that God will only allow you to hear His voice through whoever speaks.

God bless you in your walk. My brother was in teen challenge a number of years back. It is a great program.
