

Welcome & Intro :: Hi

Hi - posted by Robert_79, on: 2007/3/13 2:37

I am new being registered on the site, but have been blessed by it for 2 or 3 years. The Lord has greatly used many of these sermons in my life. What a privilege the Lord has given us to learn from so many brothers and sisters who have walked with Him for many years! God is good.
