Golden rule - posted by John173 (), on: 2007/3/16 12:26

This is crazy, I'm at work and need to write a letter. I want to use the actual scripture containing the 'golden rule' and can't locate it on blue letter. Anyone know chapter and verse from memory? I should know this but am drawing a blank.

Thanks,

Doug

PS This would make for a good starting point for a discussion (the golden rule that is, not my lack of chapter and verse memory!)

Found it. Luke 6:31. I was sure this was in Matthew!

Hi brother,

You are not wrong, it is in Matthew 7:12 also,

Have a blessed day.

Thanks 'joy',

I couldn't remember the KJV wording only the common paraphrase.
