Brothers and sisters in Christ, God has surley filled me with a grief of the state of the western 'church', i need to know of people in the Newmarket, Ontario, Canada area who are also tired of just going to church, but who are longing to become the church as God intends it!

Brother, i just looked Newmarket up on google maps (because i didn't know where it was) I live about 2 and a 1/2 hour to the southwest from Newmarket, not too far from London. It's such a blessing to know of others who are burdened for the state of the Church. I've been very blessed to have brothers around here who love the Lord, who are following Him, and many who are tired of playing "Church".

God bless you brother, may the Lord raise up many around you who fear God!

I pray that you will find a few brothers and sisters that are seekers, not just watchers.

One key I've found down here in California, is that the larger churches have bible study groups. It is there you will find your true seekers, and maybe one or two to start a house church with, in addition to the 'Church' you attend.

Blessings,

I stand in agreement with all the brothers and sisters in the Lord that GOD will bring forth people to you as you seek him for the building of his body!!!Lord Jesus I pray you bless this brother this day with hope.To place his Hope in you and faith to sustain it forever and ever.....Amen GOD BLESS YOU!!!!!!! Mark 10:27 with man this is impossible, but not with God; all things are possible with God.
