Saints,

I have run across some older David Wilkerson sermons that a brother in the Lord sent me. I really feel there is a unction from above on these messages and they are spoken in soberity and truth. Do take the time to listen to a few of these messages that are very timely even now for the body of Christ.

Thanks for posting these sermons, they are great.

I do have one request though, the sermon titled The Fellowship of His Suffering needs to be digitized again because it appears the batteries ran low on the player while capturing the audio to disk because the recording steadily degrades in the second half of the message until it becomes unintelligible. This sermon is awesome, would love to hear the last part.

In Christ,

Ron

Brother,

Unfortantely this is the only copy I have of the file. I am glad you were blessed also by the rest.

It is still worth listening to the first part. Very convicting. Brother Dave is not afraid to tell it like it is, even if it is on himself . What ever will bring glory to the Lord and wake up the church to what it means to walk with Christ.
