My...what a blessing to get two for the price of one!

Except there is no price...just fellowship.

Welcome, my sisters!

Welcome sisters. A friend also told me about this site. Before joining I was sharing God's Word on a public mainstream forum new channel site in Arkansas and getting hammered everyday by the non believers. I still post on there but not as much because I'm on here more. It is so good no one on here yet when I gave what I thought God said has called me a Bible thumper like they did on the worldly site and that's great but if we don't tell them who will? We are not responsible if they don't accept the Word but we are responsible to give it.
