I'm not sure about audio sermons but Mr. Poonen wrote an interesting commentary on the book of Revelation titled The Final Triumph. That book will give you some understanding of his eschatology. You can read the book online (http://www.cfcindia.com/web/mainpages/book_window.php?bookthe_final_triumph) HERE

In Christ,

Zac has a series of sermons on Revelation.
He goes about it chapter by chapter.
Go to Zac Poonen's audio sermon list page 12.

Be blessed.
