Ah I was wondering when someone would post 'fireonthealtar'!

Quote:

-----I forgot

www.fireonthealtar.org

For me:

- 1) Sermonindex
- 2) Fireonthealtar

The community I was on in the past

3) Credible (Dutch forums, however I have abandoned those long ago)

4) Lorberwerken, nieuwe openbaringen (New revelations, works of prophet Lorber) Now this is a sect, but I learned a lot by posting on that site together with another christian. We got some good discussions and confronted their beliefs with the bible!

A site where you can get the free audio book
Hudson Taylors' "Spiritual Secret" Awesome stuff!

<http://lampfordarktimes.blogspot.com/2007/10/audio-book-hudson-taylors-spiritual.html>

P.S. if anyone wants to get those free Gospel of Johns' at pocketpower.org and doesn't want to distribute them themselves possibly you could have them sent to me in PA, USA, I could probably have them sent to Nigeria, or Uganda, or Jamaica, or Hong Kong, or somewhere. That would be awesome. Forgive me, I just felt like mentioning it. Please don't retain my sins in your heart, thanks, I love you, Jaron
