

Revivals And Church History :: What the Bible says...

What the Bible says... - posted by hmmhmm (), on: 2007/10/4 10:15

Christian Zionists of the Dispensationalist variety tend to make absolute claims for their interpretation of key biblical texts . What serious students of the Bible have long known, however, is that there are different ways of reading the same text s. This is particularly true of the more difficult passages of scripture related to the Second Coming of Christ.
