I would like to echo this sentiment. Thank you to all of you who served or are serving in order that I can sleep securely at night. Being a military brat myself, your service means very much to me.

Thank you to all who have sacrificially served or are currently serving in the American armed forces.
I thank God for you and for the freedom which I and my family are so blessed to have right now.

Thank you for thanking us, sister. This was my last year in the military, I spent a total of 10 years in the Army (4 active/6

reserve). I just got out this July. The best thing about serving in the military was being able to impact the soldiers for Jesus Christ and open their eyes to the truth (even in the midst of rejection), and it was in the military where I came to Jesus Christ myself.

Thank God for our freedom.

Brothers and Sisters,

Thank You for your kind words, may the love and grace of our Lord Jesus Christ lead us all into His perfect will, for the glory of His Name.

Philip. 2:9-11

Wherefore God also hath highly exalted him, and given him a name which is above every name: That at the name of Jesus every knee should bow, of things in heaven, and things in earth, and things under the earth; And that every tongue should confess that Jesus Christ is Lord, to the glory of God the Father.
