is there a way to get "The Revival Hymn" to my MP3player?

Yes. You can do that as any other mp3 file. You need just to download it on your computer. Did you do that?

If not, here is the link:

(<http://64.34.176.235/sermons/SID2576.mp3>) The Revival Hymn (32.59 MB)

If you need further help, feel free to ask.
