deleting a sermon on here - posted by strawrifle (), on: 2007/12/30 15:40

Hi,i played a sermon off here, and was surprised to THINK i heard the preacher make what appeared to be a racist remark by using the N word..How do we get that deleted?

I may be mistaken and apologies if i am, but i'm 99% sure he did use the term..andy

Andy, report this sermon to the moderator, either by PM or email to sermonindex@gmail.com and let him decide is this sermon for removal.
