Saints,

The Sutera twins are ministering together for a series of meetings for 2 weeks **nightly** at the "Jacksonville United Baptist Church" from February 16th to March 2nd, 2008. Every night they will be preaching on the need for revival and repentance in life's. I am personally excited to be involved with this event to help pray, capture video of all sessions and be involved however else I can.

I have also been rousing interest in the Fredericton pastors in a nearby city to the crusade. I will be posting God willing the videos on sermonindex after the event. Please do pray for the brothers during this time and if you have a chance are on the east coast come for a night or two.

May the Lamb that was slain receive the reward of his suffering,.

Twins used of God in revival since 1971. Single and joint church revival ministries usually two and one-half weeks in length. Characterized by straight-forward preaching, visual presentations, follow-through teaching, personal counselling by lay-team workers, etc. Crusades include sessions for men, ladies, youth, children, church leaders and pastoral staffs.

I am praying for these meetings, brother. Keep us posted on how the meetings go and specific ways we can be praying.

Saints,

I was just at the initial meeting (orientation) God has already showed me so many great principles and lessons just being there for a short time. I am going to be God willing recording most the sessions. Also I will be speaking at a pentecostal church this Sunday morning (tomorrow) May God be gloried. The message title I will be preaching is: THAT YE WOULD WALK WORTHY OF GOD

There will be an evening meeting (the first official) tomorrow night for the Suterases and Lou Sutera will be preaching. May God be glorified.

The Lord did see fit in His grace to speak through me His "burden" in my heart. Thank God! I will see about getting the audio up brother. I will definitely be getting audio and video of the sutera meetings up God willing asap. Keep updated on this thread for additions. Looking forward to a powerful meeting tonight.

Would this be your first time preaching a message Greg?

A formal sermon in a church? Yes. God be praised for the message preached. I pray it prepared many hearts for this upcoming revival emphasis for the next 2 weeks with the Suterases. God will be doing much "sifting" of hearts and lives in the next few weeks.

brother where is the audio link of the message you preached?

I don't think he's preached them yet. Scroll down a couple of postings and he tells us when he's preaching.

Re:, on: 2008/2/20 19:20

Praying for God to working mightily tonight.

Re: - posted by sermonindex (), on: 2008/2/22 22:23

Lou Sutera preached on UNFORGIVENESS tonight! what a powerful message. VERY convicting. God dealt with many tonight in the prayer room. Glory to God for what He is doing at the crusade.

I encourage anyone to come out from the New Brunswick area around woodstock.

It is time to "get clean" with God when you are in an atmosphere such as these meetings.

I have a chance to speak again this sunday to a BAPTIST church this time. God has laid on my heart a sermon. The title is: JUDGMENT DAY IS COMING! Please pray brothers and sisters that I speak boldly and accurately as I should for the Lord's sake and His gospel.

Brethren, I humbly submit these to you, I do thank God that He spoke to some people powerfully where they shared testimony before a audience of God touching their lives in the message with some truth.

1 Corinthians 2:3-5

"And I was with you in weakness, and in fear, and in much trembling. And my speech and my preaching was not with enticing words of man's wisdom, but in demonstration of the Spirit and of power: That your faith should not stand in the wisdom of men, but in the power of God.

And they are humbly accepted. I do not know how to put this any other way to the saints here but this surely is not an easy thing to do.

Greatly looking forward to them brother.

Thank you for sharing these, brother!

Re: - posted by sermonindex (), on: 2008/2/26 22:12

Powerful meeting on "Forgiveness" and having ought against your brother. Many got their hearts right with God and are going to "later" with man.

We cannot have our hearts right with God and have our something against another brother. We need to settle things with those who have things against us even if its not our fault so we can have a "clean" and "clear" relationship with God.

I only could hear the first 17mins of the sermon that ye may walk worthy by Greg, and it is very encouraging to hear him talk of the things of the Lord.

Q. The sermons dont download fully and are cut off?

Answer. If when downloading sermons they seem to be cut off and not fully downloaded we recommend you use a file download manager to ensure the full download of the materials. We have found this download manager to work best: free-downloadmanager.org.

Bless you brother Greg, very exciting to hear in this sermon how the Lord has been working on your heart, as evidenced by the bold Word you preached.
