**Milk-white!**

(Thomas Watson, "The Lord's Supper")

"The blood of Jesus cleanses us from all our sin!"  
1 John 1:7

Christ's blood is a CLEANSING blood.

As the merit of Christ's blood pacifies God—so the virtue of it purifies us. Christ's blood is heaven's bath. It is a laver to wash in. It washes a crimson sinner—milk-white!

The Word of God is a looking-glass to show us our spots—and the blood of Christ is a fountain to wash them away! "On that day a fountain will be opened—to cleanse them from all their sins and defilement!"  
Zechariah 13:1

But this blood will not wash—if it is mingled with anything. If we mingle our good works with Christ's blood—it will not wash. Let Christ's blood be pure and unmixed—and there is no spot which it cannot wash away! It purged out Noah's drunkenness—and Lot's incest!

I've got this little gem of a book in my library. Watson has some tremendous insight into the Lord's Supper, and almost every sentence is filled to the brim with purity and sound doctrine. The book is only about 60 pages - but, as with all Puritan literature, how much truth, how many anointed illustrations are within those 60 pages! Enough to fill an entire encyclopedia.

It's well worth the \$8.00 or whatever it is they're selling it for on Amazon.
