"There is NO ministry that defies this holy principle"...Bob Mumford.

AS i read this post it encouraged me to talk about Bob Mumford. THE most important thing I have learned is to be OBEDIENT.

To Die to me. live to HIM

Bob Mumford had a teaching on Pulling the Kings Carriage. It is a message of trained horses.. These horses could not flinch an eye when a gun was being shot near them. If they flinched they were taken off of the carriage. I dont want to be unhitched... Obedience is the key to all ministry.. Bless you I hope my comment is welcomed. Bob Mumford is a favorite
