Ravenhill Video Transcript - posted by JoanM, on: 2008/4/29 22:24

Thanks. I don't know where else to post this. I will check back here for project suggestions and for "I'm in"s.

I have not found Mission City Television's website or a working phone number for them. I would like to get a copy of this to pass to others and to facilitate start-stop transcription. Does anyone know it?
