The unconverted and the false prophet are two totally different things. The unconverted has no interest in God's Word at all. They have no interest His church, His righteousness, and His glory being displayed in and through the believer.

The false prophet or the imitation is very skilled in his manipulation. He uses the word to deceive, as did he Eve in the garden. Eve used it to deceive Adam and so goes it today.

He will always use the word and turn it around to mean the exact opposite of what it actually means.

He will omit anything that will bring glory to God such as what attributes God desires to see in us.

Who would have thought that only 40 short years ago in America, that it would be perceived as following was evidence of having Godliness and living the Christian life and now these statements said to be wrong by many and forbidden by MANY who profess to be Christians: We follow many nations who bought into this lie before us.

1.Acknowledging God in Public Schools

2.Public Office holders is a place where God should be highly esteemed by the holder of an office.

3.Appreciation for God's provision and recognizing Him, as the source of every good and perfect gift that comes from above and testifying of his goodness in provision to others.

4.The government having organized militaries to protect families against evil people, who desire to control other nations and want more control to kill, and to steal and destroy.

5.The church instituted by God, as the bride of Christ, for being of service to him and to bring him glory is a good thing and just in the site of God.

6.Predaching and teaching about sins such as homosexuality and abortion condemned in the church services as well as the public square.

7.Predaching about sin and sin and repentance and that repentance having an effect in culture and therefore being manifested by HIS people serving in government as those people's lives are changed and therefore the nation is changed.

8.Helping other nations out of our abundance.

9.Publically telling other nations who serve false Gods that they are wrong and urging them to serve the one and only true God in Jesus.

10.Making every effort in our laws to preserve the family as God established it.

11.Making laws and establishing systems to administer to people an earthly punishment for take away the liberty of others on earth as God set in his laws for us to do. Submitting also in doing so, that the eternal punishment is in God's hands only.

12.Being a light that shines and salt that preserves smack dab in the middle of a wicked and perverse generation.

Oh how far we have come and Oh how many have bought into the lie.

Yes only Jesus can save and change lives, but so many forbid the talking about the fruits of what just exactly Jesus produces.

edit: If I might add one more thing. In the recent ruling by the California supreme court, the Judges that ruled in favor of homosexual marriage used an international law precedent to arrive their conclusion. They used Canada, the Netherlands and some more countries who have previously approved this sin as law. This is a prime example of the world having an effect on America, instead of Americans having an effect on the world, as we once did, through Christ. We were once, as a majority, IN THE WORLD, but not of it, it seemed that may no longer be the case.

Please see the edit at the bottom of the original post:

Good sound eye opening facts about the recent rulings of the California supreme court on homosexual marriage being legal and just in the eyes of God.

When Jesus was talking to Nicodemus about being born again, Jesus used the wind as an example. You can't see the wind but you... can.. see things move as a result of the force of the wind blowing. The things moving is not salvation but a result of salvation. Often when works is referred by the believer in the scripture, it is taken by many as to be the wind, instead of the results of the wind. When the disciples were in the upper room on the day of Pentecost the Holy Spirit was as a sound of a mighty rushing wind.

Acts 2:2-6

2 And suddenly there came a sound from heaven as of a rushing mighty wind, and it filled all the house where they were sitting.

3 And there appeared unto them cloven tongues like as of fire, and it sat upon each of them.

Things are not moving in many lives because there is wind in the lives of them.

4 And they were all filled with the Holy Ghost, and began to speak with other tongues, as the Spirit gave them utterance.

5 And there were dwelling at Jerusalem Jews, devout men, out of every nation under heaven.

6 Now when this was noised abroad, the multitude came together, and were confounded, because that every man heard them speak in his own language.

**Re: Compromising historical righteous laws., on: 2008/5/22 9:35**

We don't have to be a rocket scientist to see the wickedness of the world is creeping in to the righteousness of the past. We see the wickedness of the world having an effect more and more.

Wickedness is moving the world away from God and His precepts. Many people will not even recognize who honored His righteousness in history. God has always given power to those who revered His name for the purpose of bringing glory to HIM. David was given power to slay Goliath. That sling shot was a smart bomb from old. Just as the submarines set hundreds of feet under water and launch a missile toward the enemy while they lean back and drink a cup of coffee, as the smart bomb finds its way thousands of miles away, so was David's smooth stone guided by a Holy God.

If any individual or nation ever ceases to use that God given power for His purpose and His glory or to acknowledge where the power came from, they will have the power taken away.

The devil doesn't like power in the hands of God's people and he will lie, scheme and deceive the people that were enabled by God to put it in the hands of the evil. The devil's mission is to disable that power on earth. He cannot touch heaven's power but he will do all he can to disable it on earth. Samson is another example, he let a Philistine woman deceive him. Beware of the devil and the Philistine women!

You seem to be covering several different subjects here, so I'll address only one or two.

The unconverted, are just that, unconverted.

A false prophet has the appearance of being converted, or was, but has fallen into heresy.

Look at the life of King Saul, who started out God fearing, and ended up consulting a medium, 1 Sam 28.

I don't live in America, but I have seen the demise of all godliness in western nations.

**News and Current Events :: The unconverted and the imitation.**

It is as though, 'we have no need of nothing', as God says to the church of Laodicea in Revelation 3.

This world's demise is prophesied in God's word.

That does not give us licence to shut up shop and surrender. God never told us to.

He told us he who endures to the end shall be saved, Matt 24v13.

God bless.
