

**Welcome & Intro :: Hi all ...****Hi all ... - posted by harvestnow (), on: 2008/9/19 0:22**

Hi, I have downloaded lots of sermons from SI in the past that have been very helpful, thank you Lord (and SI) for such a great resource. Being feeling lately I should get involved with the online discussion.

The direction of my life was really turned around seven years ago when I encountered the Holy Spirit in a more powerful and empowering way, and I also began a journey out of postmodern paralysis, into a more traditional evangelical view of evangelism (particularly through the works John Wesley, Edwards, Finney, Spurgeon etc).

I felt called to leave secular work and to enter part-time ministry and theological study a few years later and it has been a very eventful, incredibly encouraging but sometimes a very rocky road since! I am so grateful to God for the privilege of being involved with street evangelism, discipling new Christians and pastoral work, and the healing ministry.

I feel I may be able to gain much from the many insights people can offer on this forum and their different experiences. I am a Pentecostal Arminian (hopefully this helps you know where I am coming from) and it is great to discuss evangelism and revival on SI with others who have similar passions and interests, but diverse backgrounds and theological perspectives!

Chris :-)

Hey Chris... welcome to SI! I'm a quasi-Pentecostal/Baptist Calvinistic Arminian. Now you know where I am coming from ! lol

You're gonna love it here, my brother.
