Bible believing churches in Sydney, melbourne and brisbane - posted by bornagain316, on: 2008/9/23 17:01

Dearest brothers and sister,

Greetings in the matchless name of our Lord and Savior Jesus Christ.

This is my first post on sermonindex but i am by no means new to the website, it has been the most sound and Christ seeking site i have found, and i praise God for you guys.

I am going on a trip to australia shortly to visit some non Christian friends and i was wondering whether anyone can recommend some bible believing churches in sydney, melbourne and Brisbane for me to attend with them.

In Him

Sunny
