Grunge Christianity?

by John MacArthur

*Counterculture's Death-Spiral and
the Vulgarization of the Gospel*

"One of the favorite topics on the evangelical agenda these days is how the church should "engage the culture." Do Christians need to imitate the boorish aspects of a quickly-decaying civilization in order to remain "relevant"? Some evidently think so.

We keep hearing from evangelical strategists and savvy church leaders that Christians need to be more tuned into contemporary culture. ..."
