Dear Brothers and Sisters,

Please pray for the men's retreat at Chicot State Park in Ville Platte La. My son and I are leaving this afternoon. These retreats have been rich spiritual experiences with the Lord and great fellowship with the men in the past.

Please pray that God has His way.

Mike

Hi brother Mike,

Just wanted to let you know that I'll pray for you and your son that God will accomplish great things through this men's retreat.

Sounds like an excellent time with your son :-)

In Jesus,
John
