

**General Topics :: Praying Effectively for the Lost by Lee Thomas**

Praying Effectively for the Lost by Lee Thomas - posted by sermonindex (), on: 2009/2/3 18:39

Saints,

This is a very powerful short book that teaches how we can more effectively pray for the lost souls going to hell everyday . I really encourage brothers and sisters to print off this pdf and share it with others.

Hey, thanks for posting this up. Already read chapter 1. I was tired from work but already have the energy to go and pray for the lost. Ordered 5 copies of the book, thanks again.
