

## Welcome & Intro :: Hello

### Hello - posted by run2win, on: 2009/2/5 22:23

Hello. It's good to be here; I'm glad to be a part of this community. I have visited the site numerous times since July, when I was first exposed to the Gospel Hymn video, but I only recently became a member. I am probably like most of you, finding much treasure in the sermons available here. I have printed out the texts to quite a few and enjoy reading them---studying them actually. My personal library includes the writings of many of these great Bible preachers/teachers. I have also downloaded a number of audio CD's.

If you feel led, please pray for me. I need wisdom and direction from the Lord regarding something I'm going through. Please intercede on my behalf if the Spirit moves you.

Thanks in advance for your prayers. Grace and peace.

Welcome, friend! I'll pray for you right now.

Through Christ we have become God's children, and we are led (we grow through the Holy Spirit and obedience) to that intimacy, where like Jesus we can surely say, "I know Father that You always hear me." God will give you wisdom and clarity of direction as you patiently wait on HIM.

Once you are done with what Greg has recommended you, I would also suggest going through the Top 50 downloads on the home page.

How encouraging to know that the Lord has placed my burden upon your hearts, if even for a moment or two. There is an eternal value in prayer that cannot be weighed or measured. Michael, thank you for stopping to pray for me; Greg, thank you for the warm welcome and the suggested sermon downloads; and Vakugal, thank you for the encouraging words and for affirming what God has been whispering to my heart, "Wait!"

I am refreshed by your outreach and ministry!

**Welcome & Intro :: Hello**

Now, I will stop and pray for each one of you, that Christ will minister to your hearts and use you for His glory today.
