Brother Gordon,

I've been feasting at a table that is heavily laden. I've been having such an incredible time listening to numerous mp3's I've been able to burn onto CD's and hear all day while working. It's such a joy! I owe it all to you and your website.

My family and I recently quit attending our church that was, to be most plain, very carnal. We've begun having church in our home. It's been three weeks, and I've been overjoyed with the assurance of God's leading. So I need to keep my tank full, so I can minister to them. So far the Lord's been using this wonderland of recorded sermons your ministry supplies to keep me fed, and it's some green green grass!

So thank you. My soul thanks you. I don't know where else I could hear so much that's so pure and of God. My support to the storehouse will soon.

In Jesus,

Brother John

1st of all, thank you for providing a wonderful resource. I just bumped into your site this summer and the content has had a huge impact on me. I'm a student graphic/web designer and I appreciate the simplicity and clarity of your sight. It would be helpful to have short bios of the speakers in your mp3 section so that the user could know a little about the background. Things like denominational affiliation, birth and death, history of their impact in the church etc. Thank you again for providing this resource.

God Bless

I just wanted to thank Greg for his testimony, and for this website. The messages available for download, and especially those from Leonard Ravenhill, have brought me radically closer to the Lord. Oh how I wish my church had the guts to preach the word like some of these men. I've learned more from your website in 3 months than I have going to church the past 3 years.

May God continue to bless your ministry. Thank you.

Dear Greg,  
Sermon Index has been a tremendous blessing. I have been preaching since 1977 and not long after that, read my first copy of Revival Praying, which changed my life. Our ministry, Truth To The Nations has a heart for revival and holiness within the church. We do much ministry in Wales and the United Kingdom.

The website is a true ministry to get our hearts in tune with the Lord's purposes. Thank you for all you do for the Lord Jesus,

Bill Baldwin

Dear friends at Sermon index,

I cannot express enough my gratitude for your ministry. I am a young pastor in a new area planting a new church. As a result my support system is a bit small. However, your ministry has been an enourmous blessing for me. Listening to gr eat men of faith severl times a week has not only encouraged me but challenged me to dig deeper the wells of faith. It h as helped me keep my focus on Christ and His purposes while planting a church rather than getting caught up in techniq ues and numbers. Keep up the great work!!!

God Bless,

Thanks Greg for the time you've spent compiling this very extensive list of articles. With the combination of excellent au dio sermons and useful articles I truly believe that sermonindex is probably the most helpful Christian website, and need ed website, out there. I am recommending it to others, even people in other parts of the world. God bless you - I think t he rediscovery of the sermons and writing of great men of God is essential in our day.

Thanks again,

Owen

Greg & Sermon Index Â–

I wanted to thank you and who ever helps you with the Sermon Index ministry. My wife, Sandy, and I are currently poste d in Australia serving in an exchange position with the Australian Defence Forces. We have not found very strong Christi

an teaching here in Canberra, and in an attempt to find some edifying MP3s for my 'running days,' I stumbled upon your web site.

Without belaboring the point with all the details, these messages have called upon both of us to mature in our faith. Paris Reidhead has challenged me more to live up to my profession of faith than any living pastor in my 8 years as a Christian. I would never have thought that a mid-20th century 'fundamentalist' could get my attention like that. I am now convinced that God's message transcends my own weak classifications of other people/churches and that I have a lot to gain by hearing and weighing those messages against scripture, not my own preconceptions.

Thanks to you for keeping these sermons alive and available to those of us who desperately need to hear them.

May God bless you and this effective ministry -

Chris

Hi my name is ray and i'm new to sermonindex what a blessing it is, i love the old time preachers who were God pleasers not people pleasers like we have today. as i started writing this i'm new to emailing Saul came to mind, where in 1 Samuel 15:18 God had sent Saul on a mission to go and completely destroy the Amalekites but he does not because he thinks he is doing the right thing by saving the king and some sheep and cattle in order to sacrifice them to God. God wants us to be holy set apart for Him, so we are to destroy sin from our lives nothing is hidden from our Lord. Hope to see you in heaven soon.

I just wanted to thank you so much for your sermons, and how you carefully picked out the speakers, thank you for making a website, where men who truly seek and sought the Glory of God, and not their own. A special thank you, to all the brothers who lift up the standard that permeates the Word Of God. God Bless you richly and all your sermons, may they teach us to embrace the cross, and to die with Christ, for his honour and glory.

I remembered hearing Chuck Smith on the radio when I was a new believer in the 80's, and when I out of curiosity downloaded some of the sermon files you had, I was just so thoroughly delighted.

Someone just a few weeks ago blessed me with an ipod mp3 player that holds about a months worth of files if continually played. I thank God for blessing me with it and your website has supplied me with so, so much to listen to. It's been a renewing of my faith and it's re-kindling a fire in me that had been reduced to a smoking flax. The Lord is good!

Thanks for your service to Jesus Christ through the website. Those old veteran preachers had something that seems all but long forgotten today--but God will have His remnant.

In His love and saving grace.  
Brother John Umlauf

It's great! Great choice of speakers etc.. Not crass (i.e really off advertising) like many other christian sites, well presented etc. It certainly makes it on my top ten list. Thanks and God bless

I wanted to tell you that the website is perfect for world evangelism. There is no better method than the audible preaching of the Word of God under the true anointing of the Holy Spirit. This is God's method, and to find a website that understands that is a wonderful thing. The ministers you have chosen to highlight are a great example of what God will do in a preacher who has given themselves completely to Christ and are shut in with God in prayer. The power of the Holy Spirit to convict the heart of men is evident in many of these sermons that I have heard and I hope that this site will be around for many years to come. The simplicity of the site is of great value also, please keep this simplicity and I am sure this site will become very popular.

Really like this! Almost completely agree. Absolutely the simplicity, but not simplistic.  
The last part...well if it ever got really popular it could only mean one of two things, that the church and the world has finally gone over the edge and is experiencing revival or something likely has gone terribly wrong.

Hey SI, just wanted to thank you guys for such a wonderful site. I had been praying for God to show me the "old paths" when I found this site! I feel like I found a gold mine. Many folks at my church are hungry for this type of old school preaching and I can't help but think that God is trying to revive His church for one last stand against the enemy! Earnestly contend for the faith! Your brother in Christ, Jason DiVincenzo.

I've been very blessed by your ministry and while I'm blessed to hear these men of God preach the word with the spirit so clearly flowing from their mouths, I find myself wanting the same kind of church to go to in person. To have the likes of D.L. Moody, Spurgeon, Reidhead or others at the pulpit of my church. While I know that no man should be exalted above the Lord or above his word...I do appreciate and respect these tremendous preachers...and long for such teaching where I live. In light of this, I would like to know if there are some key sermons that you would recommend. Sometimes I feel a bit overwhelmed with the choices on sermonindex. I don't have much time to listen to the messages so each one I think should be a good one. If you can think of some that really have been impactful to you I would appreciate it if you could forward these messages on to me. Thankyou and May God continue to bless you.

Dear Br.Greg Gordon,  
Greetings to you in the precious name of our Lord Jesus Christ. I am a disciple of Christ from the southern part of India since 1988. Until 2002, I got chance only to read the articles of godly people like A.W. Tozer and Leonard Ravenhill etc. Because of sermon index web site, I could download and listen the messages of godly people like A.W. Tozer, Leonard Ravenhill, Paris Reidhead and Zac Poonen etc. Their messages are unadulterated with conviction and unction. I personally praise God for this web site. I do regularly pray for this movement in

order to become more blessing to God's remnant all across the world from deception which is very much rampant in the present Christendom.

Last many years I had the privilege to hear Br. Zac Poonen's teaching. I thank God for his life and ministry. Majority of Lord's ministers in India hate him(at times they called him 'Anti-christ' and a false prophet)because he proclaim unadulterated gospel with authority and humility. On 22nd May, 2005 he spoke a message entitled "Our Kingdom Is Not Of This World". This message expose the lies of the devil, false gospel and false preachers. The video format and audio format are uploaded in their web site <http://www.cfcindia.com/> Please keep this message in sermon index website and encourage God's people to watch it. This a timely message of the Lord. Oh! how much satan(master of deception) try to oppose these types of message.

Finally praise God for your burden and labor to spread genuine gospel of Christ all across the world. Will be pray for you and this group.

Kindly acknowledge the receipt.

Yours brother in-Christ,

**Re: - posted by Yodi (), on: 2005/6/8 14:49**

Wow! What an encouraging email! I'll have to check out that video link. I have been recently blessed to see a video of Zac Poonen's teaching. I can't believe people hate him in India. I guess that was referring to other ministers in India. That's crazy! He does appear to be a humble guy. How could you hate a humble person... unless you were filled with pride.

Well, that's great that you get these kinds of emails from people. If there were any doubts as to how this ministry touches people and encourages them in their Christian walk with the Lord, I'm sure these emails reveal the hopeful truth.

Hi. I'd just like to personally thank you for making this resource. I think that it will help many who can not make it to church, such as bedridden elderly folk, and the younger people as well when for whatever reason they can not make it. I'm not advocating this in place of church, but I think that it is a wonderful supplement. I can have a sermon preached to me more often than once a week now. Thank you very much.

Sir,

your website has brought to my soul the greatest impact ever. I have nothing to offer in gratitude that can match up with what the Lord has reserved for you. Thank you and thank you again. The messages of Ravenhill and Tozer etc oh how glorious to have them!!!

**Re: - posted by sermonindex (), on: 2005/8/11 17:06**

Hello Greg, my name is Jesse and I am 21 years old and I live in Redlands, Ca. I just want to say that I have been tremendously blessed by this website. I just want to say thank you so much for all the input you put in this site. My life has changed dramatically, by these messages. My favorite preacher is Leonard Ravenhill. I can't tell how many times I want to cry for the church age that we live in today.

Just wanted to encourage you to continue in this valuable service to those who are hungering for more of the Lord. I have been encouraged by the discernment of those in charge of this site. Continue to obey the convictions of your heart on the messages you allow.

**Re: - posted by sermonindex (), on: 2005/11/8 11:30**

Thankyou so much. I have really benefited from sermon index and the many preachers. Especially Leonard Ravenhill and Ray Comfort. I hope this site will continue for ever. It's amazing the way God works. For at least 3 years I had been searching for sermons at Christian bookstores and couldn't find anything except for watered down prosperity Hillsong Sermons (\$30 a sermon, sometimes more). BTW Never ever considered buying any of those. But a friend gave me a copy of Revival Hymn and was lead to this site and through this site I discovered Ray Comfort and am now out on the streets proclaiming the Gospel. God Bless you!

**Re: - posted by sermonindex (), on: 2005/11/8 11:45**

Thank you for your work in posting the teachings and sermons from those who have asked and walked in the old paths. (Jeremiah 6:16) As a young believer I was influenced by Leonard Ravenhill's life and ministry in East Texas in 1980.

He lived his life praying for revival and for the believers to seek the face of the Lord in prayer for His touch upon their hearts for the lost.

The time is drawing near for the Son of Man to appear and now is the hour to labour...
