Very excellent series!

I gave a set to a family in our town, the problem is they looked at what Kenny and his family wore and decided that they were too old fashioned and became critical!!!

Never, judge the message by the looks of the person, you'll be sorry if you do since you may miss out on a message that can revolutionize your life!

this series bring so much joy and desire for more Godliness!!! it's a huge blessing.

Wow! Powerful and awesome sermon series. A must hear for every Christian family. I wish we have something like this in Indonesian language so I can give it to all of my friends. What a powerful vision from God that brother Denny shares.

It has been so wonderful to hear the testimonies of families changed by these teachings.

I challenge any new couple or established family to listen to 1 recording per night for 28 days and let God change your family to a godly family according to the word of God.

Do share a testimony in this thread if these teachings have been a practical blessing to your family?

Does anyone know if there is a MP3 version of the singing tape that is included in the end of this set?
