

**SermonIndex Announcements :: SermonIndex.net Search Engine released...**

**SermonIndex.net Search Engine released... - posted by sermonindex (), on: 2009/5/13 22:23**

Saints,

I have released a search engine that will be worked on more as time permits. It works with google search results and can be modified and improved. There is a link to it off the front page of the site at the top and here is a link:
