Saints,

I am excited about this opportunity. I am teaching at the Calvary Chapel Bible College in Siegen, Germany. <http://www.ccbcde.com/> I will be teaching a course on **The Theology of Revival and Spiritual Awakening**. I will be getting the class online here at sermonindex God willing also. The Semester runs from September to December of this year.

This will also enable me to be present at both of the revival conferences this year in the UK! I appreciate your prayers saints as I prepare to teach this course.

May the Lord do for you as He did for another in another generation...

Zec 4:5 Then the angel that talked with me answered and said unto me, Knowest thou not what these be? And I said, No, my lord.

Zec 4:6 Then he answered and spake unto me, saying, This is the word of the LORD unto Zerubbabel, saying, Not by might, nor by power, but by my spirit, saith the LORD of hosts.

Zec 4:7 Who art thou, O great mountain? before Zerubbabel a plain: and he shall bring forth the headstone shoutings, Grace, grace unto it.

your brother in Christ
Jeff

YES Praying! YES Lord. Rejoicing prayer.

Is this a "prepare ye the way"? And may God break through in reality as you FOLLOW HIM.

Much prayer on that (follow) Brother Greg on last night's prayer call.

Germany! Oh my! Praying. Have I missed Germany's interest in Revival? It is God that has an interest. Praying for Him to prepare your students as I would pray for hearts and minds in a congregation. So do students have a course break during, say, mid-November? :D

He sets such Joy before us:D

I am also praying for you, brother.

Well praise God Brother Greg, all that studying on the subject that your going to be teaching will have paid off.

It's really amazing when you think about it. Out of all the people that have been educated on Church history and have gotten degrees, they pick a lowly Canadian.

Surely while your there you will be checking out Wittenburg and other places that Martin Luther stirred up trouble. Get pictures!!

God Bless

Hey Deepthinker;

If you knew him you would know that he is anything but lowly, 6'7" if I am not mistaken. The Scottish people thought that he was Osama Bin Laden(with a Canadian accent eh)

He and I would do well amongst the Germans, tall is the norm and I am 3 inches shorter.
