Saints,

If God lays it on your heart please do pray for me as you feel led. By God's grace I run sermonindex.net full-time and I sense the need for the prayers of the saints constantly as I desire to do God's will. This is a prayer card you can print out to remind you to pray. Some people beg for money but I am privileged to be with the same spirit of the apostle Paul to beg for your prayers.

edit: In general I have offered a prayer card before but I thought it would be good to update it. Personally I believe daily prayer for this ministry and myself allows it to be what it is. Truly prayer is the foundation of any work that God does. So for that reason I want to re-issue the need for prayer for myself and this ministry in general. Thank you brothers and sisters.

Even though the Brother hasn't asked for money, it takes money to run a website. With our prayers please consider giving to (<http://www.sermonindex.net/paypal.html>) Sermon Index. God Bless

We have such a blessed Saviour who loves to shower blessings down upon His children. Oh that our hearts would be continually turned unto Him. May His name be magnified and glorified as we go forward in His love.

I am just bringing this forward for those that have not seen this.

Re: - posted by sermonindex (), on: 2009/8/10 18:58

Thank you brother, and for a reminder for those that have seen this or have not please do pray for me if the Lord lays it on your heart. I am very dependent on the leading and guidance of the Lord in my life and as paul apostle I covet your prayers for protection and that I may make the gospel known through my life and the way I run ministry as well as speaking.

There is a prayer card on the first post you can download and print off, etc.

I believe that one thing that we could all do is to pray for Greg and this ministry everytime that we go to this website.

"...The effective, fervent prayer of a righteous man avails much" (James 5:16)

...Praying always with all prayer and supplication in the Spirit, and watching thereunto with all perseverance and supplication for all saints...

Saints,

Oh what need there is for prayer for ministers, ministries, pastors, evangelists. Let us stop criticizing them and start praying for them. On that note also I need your prayers. Paul begged for prayer so will I!

If you want a prayer card please just reply to send your address to sermonindex@gmail.com and I will send you a prayer card in the mail.

Thank you saints.
