Anyone else seen the "Gospel of John" movie? I highly recommend it. I'm generally not a big fan of Christian movies, but I was blessed by this one.

I personally am not a big fan of the 'good news' paraphrase translation, there is much lacking in it. I have not watched the entire movie but the parts I saw some was good but others seemed to make Jesus to jovile and loose, acting in almost a n unholy manner. Not depiction of Christ will be perfect and with that in mind I suppose all these movies can be used of God in some respects.. The Matthew video and the famous "Jesus" video I think are the 2 best depictions and the scripture in them is tremendous, especially the matthew one which is 100% from the book of matthew in NIV translation I believe.

here is an old thread on the topic:
