Needing help to find a fellowship in our area which cares for holiness and preaches full gospel... - posted by starvn4tru

My wife and I appreciate the sermon index(SI) ministry, having been blessed many times by its resources. SI has been our main source for spiritual encouragement according to the true gospel in its fullness. We have been uable to find a church fellowship in our area (Niagara Falls, Canada) which recognizes the need for complete gospel preaching and a fellowship of holiness that does not mutually shy away from godly correction when needed.

I am hoping that someone from our area(preferably a pastor) who recognizes the difference between the SI resources compared to most main stream "Christian" resources will read this and let us know where his church is so we can join that fellowship.

please respond,

Mike Stepien

Wow, what a tall order. Is there such a place in North America? I am in Canada too and the pickens's are few and far between. I hope you find what your looking for.

To Mike Stepien:

I have found two Churches that sound like they will fulfill your requirements:

(<http://biblebaptistchurchniagara.com/default.aspx>) Bible Baptist Church of Niagara Falls, Canada

If you don't mind crossing the border, you will find another very good Church that fulfills your requirements as well:

(<http://www.calvarybaptistofniagara.com/page.cfm?id7>) Calvary Baptist Church of Niagara Falls, New York

Good hunting, Brother!

Sincerely,

Walter :-) :-)

There's a church in Montreal that you may want to visit and see for yourself. It is New Life Church, the senior pastor of which is Claude Houde. Though it is primarily a French-speaking congregation, they may also have English services. Claude Houde sometimes serves as an interpreter of David Wilkerson whenever he ministers to a French-speaking congregation. He also has been a regular speaker at Times Square Church in New York City for at least 10 years.

Here's the contact info:

Eglise Nouvelle Vie (New Life Church)
200, rue du Parc Industriel
NA Longueuil, Quebec
Canada

Tel.: (450) 646-2150

Hello, Mike:

I used Google as a search engine, and typed:

King James Bible Church, Niagara Falls, Canada

And voila, it was the first choice!

The third choice was the Church listed in Niagara Falls, New York.

May God continue to bless you and your family!

Sincerely,

Walter

Just an idea for SI:

Is it possible that sometime in the foreseeable future a Church database could be added that would list trustworthy fellowships for those looking for a faithful church?

Nope. ;-)

Everything you mention is can-do except the word trustworthy. Who determines trustworthy? Who is responsible to make sure these churches stay trustworthy?

It is actually a great idea. Some of these collections already exist online. I guess the best way to do this is to have someone start a thread called "Church Recommendations", although there will be no way to search by city or state except using

ng Google. Michael Pearl and Vision Forum among others have pages set up for this, but not everyone appreciates where they are coming from, so . . . good providence.
