Hello,
May I ask, are you a Christian?

There is nothing you have said to indicate this.

Thank you.

Hi there, thank you so much for the information. Lovely to hear from you. Since I can remember from my childhood, my parents believe in Buddhist religion & Bon (Bonpoism) religion. Buddhist & Bon religion more tantric/demi gods. At that time of that age, I never heard of Christian. My parent never knew about the Christian, & they never went to school & they can not read & write.

I heard of Christian since 1992 as I was working in a tourist hotel & studying in college.

During my trekking guide work, I met many Christian people from Sweden & Singapore. I got some books old/new Testament from them, & I have read it so many times. I feel sad by reading about Jesus Christ 'cross'.
